JUNIPER

SMELL
Primary: lemon oil, extending into...
TASTE
Light. Oily and supported by...
FINISH
Creaminess

SOUTHERN STRENGTH

SMELL
Fragrant pine mingling with bright citrus and earthy angelica. Coriander seed elevates the citrus character.
TASTE
Oily, viscous and immediately savoury. Juniper still dominates, however is complimented with earthy notes of angelica root and coriander seed.
FINISH
Rich and robust, with pepper berry spice and... developing late.

JUNIPER FREAK

SMELL
Concentrated juniper presents immediately. Bright, pine-lime spice mingling with fresh pine needles and split gum leaf.
TASTE
Thick and viscous. Bold juniper making way to peppery menthol.
FINISH
Long with resinous juniper oils coating the palate and pepper berry developing late.
